This is to inform you that the property listed below may belong to you.

This property was turned over to the State Controller's Unclaimed Property Division, as required by law, for safekeeping until it can be claimed by the rightful owner or their heirs. California's unclaimed property law requires businesses to submit property, such as bank accounts, stocks, bonds, and the contents of safe deposit boxes, to the state if there has been no activity on the account, or the business has had no contact with the owner, generally for three years.

To claim this property, or the net proceeds of any sale of property as required by law, please complete Sections C and D of this form and return it with the required documentation to the address below. If you do not have all of the items required, please send as much information as possible to prove you are the owner of the property.

Once your signed Claim Affirmation Form and required documentation have been received, please allow up to 180 days for processing. For more information about this program including filing instructions, forms, or to inquire about your claim status, please visit the State Controller's website at [www.claimit.ca.gov](http://www.claimit.ca.gov). Claimants may also contact the Unclaimed Property Division by phone at (800) 992-4647. International callers should call (916) 323-2827 for inquiries.

**PLEASE NOTE:** Properties recently transferred to the State Controller's Office may not appear on our website. If you have an outstanding debt with a California state agency, city or county, your unclaimed property payment may be intercepted to pay the debt.

**PROPERTY OWNER CLAIM  
FILING INSTRUCTIONS AND REQUESTED DOCUMENTATION**

**To claim property reported in your name, please provide the information requested in the property owner filing instructions found here:**

[Filing Instructions for A Property Owner](#)

The link above provides detailed information on what documentation we need in order for us to verify your ownership of the property. Having the same name as that on an account does not necessarily mean you are the owner. There are many people who share the same name. To make sure our office is able to verify that you are the rightful owner, you must provide all the required documentation.

Although the Social Security Number (SSN) is our primary method of verification, we sometimes cannot verify a claim based on the SSN because the company reporting the property did not provide an SSN when transferring the property to us. In these cases, we will need the additional documentation listed on the filing instructions to verify your claim. If you have these documents available, please submit them when you file your claim to ensure the processing of your claim is not delayed.
